, Engineer.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights on the source, and is for use in highway construction and maintenance and domestic use of the travelling public. It is understood that the one cubic foot of water per second herein granted is only a temporary allowance, and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. Accurate measurements of the water placed to a beneficial use must be included in the proof of beneficial use when filed. The state reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.0 cubic feet per second.

Actual construction work shall begin on or before May 23, 1924

Proof of commencement of work shall be filed before June 23, 1924

Work must be prosecuted with reasonable diligence and be completed on or before May 23, 1925

Proof of completion of work shall be filed before June 23, 1925

Application of water to beneficial use shall be made on or before

May 23, 1926. Proof of the application of water to beneficial use must be filed with State Engineer on or before June 23, 1926.

Proof of labor filed MAY - 2 1926

Proof of completion of work filed MAY - 2 1926 WITNESS MY HAND AND SEAL this 23rd day

of November 1925

Proof of beneficial use filed MAY - 2 1926

Map filed MAY - 2 1926

Certificate No. 717 Issued May 5 1925
